

Invitation - "Shake It Up"

Embassy Suites (Troy) has hosted a lot of seminars, workshops, meetings, conferences. We've "seen a lot!" Recently we "saw" an event that truly was a unique experience – no death by PowerPoint, no lectures, or participants escaping to their phones....

Our staff kept "peeking" into the room - People were laughing, wearing blindfolds, building Lego prototypes, breaking eggs, intentionally PLAYING – or so it appeared. We later realized that this was learning by doing – engaging, experiential, hands-on activities and exercises that resulted in "ah-ha" experiences that translated into new knowledge, new skills, modified behavior and new strategies for GETTING RESULTS.

This Learning Lab experience was provided by Career Growth Associates (CGA) for a local global organization as part of their 2020 Leadership Development strategy. Engaged mutual learning experiences allows for a better "cross pollination" of information and experience sharing. We were so impressed that we approached CGA to discuss how Embassy Suites could share this unique experience with our customers. To our delight, we can now offer you a **FREE** demonstration event.

WHO should attend: Organization Effectiveness, Learning and HR Development "champions" involved in:

- developing people
- improving performance
- enhancing the employee experience
- creating a great place to work
- providing "state of the art" learning strategies

WHY: to experience experiential learning and explore how your organization can integrate Learning Labs into your People Development Strategy.

WHEN: Friday March 6th

8:30 - 9:00: complimentary continental breakfast

9:15 - 12:00: Learning Labs that focus on development mindset, skill set, behaviors related to:

- Leadership,
- Communicating
- Interpersonal and teamwork/collaboration
- Dealing with Change

Learning Lab Activities will engage participants in:

- "doing" a task or activity (as an individual or with a group)
- reflecting and evaluating the "outcome" of their actions
- recognizing behavior modifications/or skill development needs that will improve individual performance and results

12:00: Lunch and Conversation

- Lunch is on us, please stick around for additional Q&A with - Brent Grow, (CGA) and Leigh Guillaume, Executive Meeting Manager, *Embassy Suites 850 Tower Drive, Troy, MI 48098*
